Let's Connect

Remote Site Middle East, is an ISO 9001-2015 certified Offshore Support Services company.

About Us

We have established ourselves to be a one-stop market in providing for a wide array of products and services, not only for off-shore requirements but also for shore-based projects and clients. With offices across Middle East, Asia and Africa, we have a better advantage in providing our clients with round the clock quality services across the Gulf and Asian regions.

It is our pride to say that the range of our products, services, quality and competitive prices has made us one of the fastest growing companies in the Middle East today.

**Our
Vision**

Our vision at Remote Site Middle East, is to be the leading service provider of choice to our existing and new customers.

**Our
Mission**

Our mission at Remote Site Middle East is to help our clients meet their offshore and shore based requirements through a multitude of high-quality services and state-of-the-art products that come together seamlessly to effectively fit budgets and minimize operating costs.

Company Traits, Values & Strategy

We conduct our business with profound consideration for providing quality in the products and services we deliver.

Our experience in catering and housekeeping services, are of the highest International standards worldwide

We provide support for Drilling Platforms, Supply Vessels, Cable Laying Vessels as well as Wind-turbine Park Support Vessels.

Experienced, polite, smart, and well-trained multinational staff form the backbone of our operations who strive to deliver on time without compromising quality and accommodate every request by our clients.

Local ground work helps us coordinate and plan for long term supplies, each shipment being monitored closely to avoid any damage or loss.

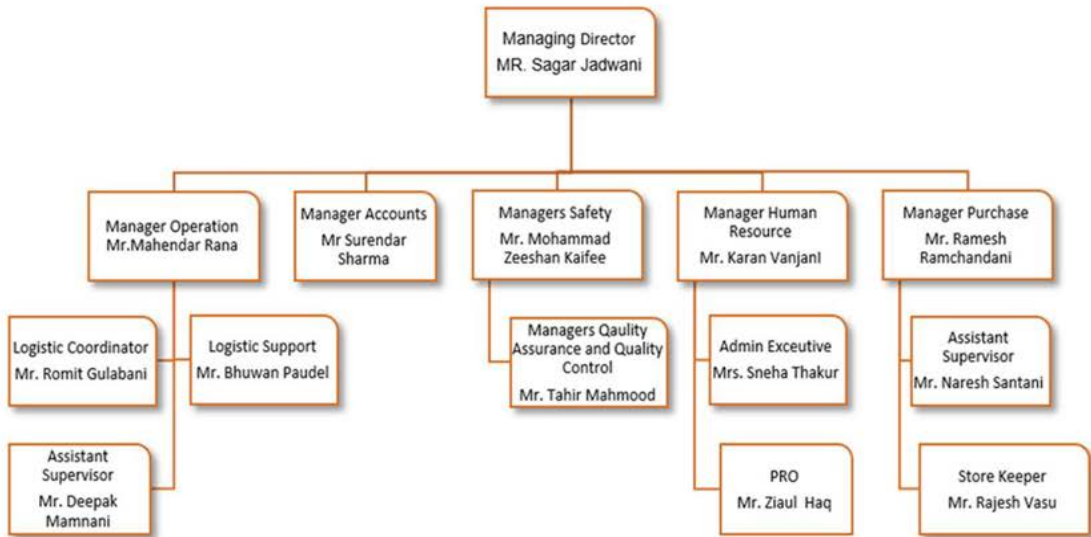

Our broad business profile, forms our group of companies which caters to all our customer requirements making us the One-Stop solution for every product and service requested.

**Our Team of professional and well trained staff form
the backbone of our company**
